

Connect Consulting Services
Engage | Prepare | Recover

Dear Healthcare Partner:

Congratulations on joining Connect Consulting Services' CMS Emergency Preparedness Compliance Coaching Program. With your membership, you and your team will have exclusive access to our CMS Emergency Preparedness Compliance Toolkit, webinars, and monthly interactive coaching calls moderated by our expert staff. We know that you will need support along the way, so we have also included hours of direct one-on-one consulting support as well as email too.

To access your member benefits, log on to our Membership page on our website:

<https://connectconsulting.biz/my-account/>.

Make sure to register for your first monthly live interactive coaching call. You can register for each coaching call at any time. You will get a reminder email about a week and a day before our monthly live interactive coaching calls, held the 4th Wednesday of each month at 10 AM PST/1pmEST.

If you have not done so, please take the time to fill out the self-assessment tool. It is found on our website at the top of the home page to help you better understand where you are prepared and where you need to focus your attention. After you submit your self-assessment, one of our experts will follow up with you.

When you would like to use your direct one-on-one coaching hours, you can book a call or a meeting through our Calendly account. Be sure to select the coaching program.
